Explanation of the Resolutions

The information set out below is an explanation of the business to be considered at the Annual General Meeting to be held on Wednesday, 2 May 2018 at 2.30 pm at Merchant Taylors' Hall, 30 Threadneedle Street, London EC2R 8JB.

Annual Report (Resolution 1) (ordinary resolution)

The first item of business concerns the Annual Report. The directors are required to lay before the Annual General Meeting the Annual Report, including the Directors' Report and the Independent Auditor's Report on the financial statements, and the shareholders are asked to receive the Annual Report.

Directors' Remuneration Report (Resolution 2)

(ordinary resolution)

Listed companies are required to put their Report on Directors' Remuneration to an advisory shareholder vote each year. The Report on Directors' Remuneration is set out in full in the Annual Report on pages 43 to 55. The Company's Remuneration Policy was approved by shareholders at the Annual General Meeting in 2016 and will next be submitted for approval at the annual general meeting to be held in 2019 at the latest.

Directors (Resolutions 3 to 6) (ordinary resolutions)

The articles of association of the Company require some of the directors to retire at each annual general meeting; all directors stand for re-election not less frequently than every three years. In addition, under the UK Corporate Governance Code, it is recommended that directors stand for re-election annually if they have served for nine years or more.

Harry Henderson, the Chairman, and Anthony Watson have served for more than nine years and so stand for re-election. Mr Boyle and Mrs Claydon have also served for nine years but will retire from the Board at the Annual General Meeting. Andrew Bell and Suzy Neubert last stood for re-election in 2016 and 2015 respectively and stand for re-election this year.

The directors have reviewed the performance and commitment of the directors standing for re-election and consider that each of them should continue to serve on the Board as they bring wide, current and relevant business experience that allows them to contribute effectively to the leadership of the Company.

Information about the directors, including their relevant experience, is set out in the Annual Report, in particular on pages 26 and 27.

Auditors (Resolutions 7 and 8) (ordinary resolutions)

There is a requirement to appoint an auditor at each general meeting at which accounts are laid before the Company, with the expectation that the auditor will then hold office until the next such meeting. In accordance with sections 489 and 492 of the Act, shareholders are required to approve the appointment of the company's auditors each year and to determine or authorise the directors to determine the auditor's remuneration. Following the implementation of the Competition and Markets Authority Order on Statutory Audit Services, only the Audit Committee may negotiate and agree the terms of the auditors' service agreement. Resolution 7 covers the re-appointment of

Grant Thornton UK LLP who were first appointed as auditor in 2016 and Resolution 8 authorises the Audit Committee to determine their remuneration (details of which are set out in note 5 on page 73 of the Annual Report).

Authority to Allot Shares (Resolution 9) (ordinary resolution)

Resolution 9 in the Notice will give the Company the authority to allot the unissued share capital up to an aggregate nominal amount of 10% of the Company's existing issued share capital at the date of the Annual General Meeting (equivalent to 17,828,845 Ordinary Shares with a nominal value of £4,457,211.25 if there is no change in the issued ordinary share capital between now and the date of the Annual General Meeting). Such authority will expire on the date of the next annual general meeting or after a period of 15 months from the date of the passing of the resolution, whichever is earlier. This means that the authority will have to be renewed at the next annual general meeting.

Disapplication of Pre-emption Rights (Resolution 10)

(special resolution)

When shares are to be allotted for cash, section 561 of the Act provides that existing shareholders have pre-emption rights and that the new shares must be offered first to such shareholders in proportion to their existing holding of shares. However, shareholders can, by special resolution, authorise the directors to allot shares otherwise than by a pro rata issue to existing shareholders. Resolution 10 will, if passed, give the directors power to allot for cash equity securities up to 10% of the Company's existing share capital at the date of the Annual General Meeting (equivalent to 17,828,845 Ordinary Shares with a nominal value of £4,457,211.25 if there is no change in the issued ordinary share capital between now and the date of the Annual General Meeting), as if section 561 of the Act does not apply. This is the same nominal amount of share capital which the directors are seeking the authority to allot pursuant to Resolution 9. This authority will also expire on the date of the next annual general meeting or after a period of 15 months, whichever is earlier. This authority will not be used in connection with a rights issue by the Company.

Under section 724 of the Act the Company is permitted to buy back and hold shares in treasury and then sell them at a later date for cash, rather than cancelling them. It is a requirement of section 561 that such sale be on a pre-emptive, pro rata, basis to existing shareholders unless shareholders agree by special resolution to disapply such pre-emption rights. Accordingly, in addition to giving the directors power to allot unissued share capital on a non pre-emptive basis, Resolution 10, if passed, will also give the directors authority to sell shares held in treasury on a non pre-emptive basis. The benefit of the ability to hold treasury shares is that such shares may be resold. This should

Explanation of the Resolutions

continued

give the Company greater flexibility in managing its share capital, and improve liquidity in its shares. Any re-sale of treasury shares would take place only at, or at a premium to, the prevailing net asset value per share, and this is reflected in the text of Resolution 10. It is also the intention of the Board that sales from treasury would only take place when the Board believes that to do so would assist in the provision of liquidity to the market.

The directors intend to use the authority given by Resolutions 9 and 10 to allot shares and disapply pre-emption rights only in circumstances where this will be clearly beneficial to shareholders as a whole. The issue proceeds would be available for investment in line with the Company's investment policy. No issue of shares will be made which would effectively alter the control of the Company without the prior approval of shareholders in general meeting.

Share buyback facility (Resolution 11: Ordinary Shares; and Resolution 12: Preference Shares) (special resolutions)

The Company's articles of association permit the Company to purchase its own shares and to fund such purchases from its accumulated realised capital reserves. The directors believe that buying back the Company's own shares in the market, at appropriate times and prices, is in the best interests of shareholders generally. Therefore, the Board considers that the Company should continue to have authority to buy back its own Ordinary Shares. Shares bought back may be cancelled immediately upon completion of the purchase or held, sold, transferred or otherwise dealt with as treasury shares (see above).

Share buybacks are used as a means of helping to balance the supply and demand for the Company's shares in the market. In respect of the Ordinary Shares, buybacks seek to reduce the volatility of the discount to the underlying net asset value per share at which the Ordinary Shares trade. Ordinary Shares are bought back only when the immediate outcome is an increase in the net asset value per share attributable to the remaining Ordinary Shares.

Resolution 11 authorises the Company to make market purchases (for cancellation or to be held, sold, transferred or otherwise dealt with as treasury shares) of up to 14.99% of the Ordinary Shares in issue at the date of the Annual General Meeting (equivalent to 26,725,439 Ordinary Shares (with a nominal value of £6,681,359.75) if there is no change in the issued ordinary share capital between now and the Annual General Meeting). Under the Listing Rules of the UK Listing Authority, this is the maximum percentage of its equity share capital that a company may purchase through the market pursuant to such authority. The Company will make purchases within guidelines set from time to time by the Board, and if or when market conditions are suitable, with the aim of maximising the benefit to the remaining shareholders. The directors will not use this authority unless to do so would result in an increase in the net asset value per Ordinary Share. Ordinary Shares will not be bought back at a price that is less than 25p (the nominal value) or more than the higher of (i) 5

per cent above the average middle market price of the Ordinary Shares over the preceding five business days and (ii) the higher of the price of the last independent trade and the highest current independent bid for an Ordinary Share on the trading venue where the market purchases will be carried out. The directors intend to seek a fresh authority at the annual general meeting in 2019.

There are no warrants or options to subscribe for Ordinary Shares that are outstanding as at 13 March 2018 (the latest practicable date prior to publication of this Notice).

Resolution 12 authorises the Company to make market purchases for cancellation of all of the Preference Shares in issue at the date of the Annual General Meeting (being 2,055,000 3.4 per cent Cumulative Preference Shares of £1 each and 500,000 2.7 per cent Cumulative Preference Shares of £1 each with an aggregate nominal value of £2,555,000 if there is no change in the issued preference share capital between now and the Annual General Meeting). The Company will make purchases within guidelines set from time to time by the Board, and if or when market conditions are suitable, with the aim of maximising the benefit to the Company. Any Preference Shares bought back will be cancelled. Preference Shares will not be bought back at a price that is less than 1p or more than the higher of (i) 5 per cent above the average middle market price of the Preference Shares over the preceding five business days and (ii) the higher of the price of the last independent trade and the highest current independent bid for a Preference Share on the trading venue where the market purchases will be carried out. The directors intend to seek a fresh authority at the annual general meeting in 2019.

Notice of General Meetings (Resolution 13) (special resolution)

The notice period for general meetings of the Company is 21 clear days unless shareholders approve a shorter notice period, which cannot be less than 14 clear days. Annual General Meetings continue to require 21 clear days' notice.

In order to call a general meeting on less than 21 clear days' notice the Company must make a means of electronic voting available to all shareholders for that meeting.

Notes to the Notice of Meeting

Resolutions 1 to 9 are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 10 to 13 are proposed as special resolutions. This means that for each of those resolutions to be passed, at least three quarters of the votes cast must be in favour of the resolution.

1. Voting record date

Only members registered in the Register of Members of the Company at 6.30 pm on Monday, 30 April 2018 shall be entitled to attend and vote at the Annual General Meeting in respect of the number of voting rights registered in their name at that time. Changes to entries on the Register of Members after 6.30 pm on Monday, 30 April 2018 shall be disregarded in determining the rights of any person to attend and vote at the Annual General Meeting.

In the case of joint holders of a voting right, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders and, for this purpose, seniority shall be determined by the order in which the names stand in the Register of Members in respect of the joint holding.

2. Rights to attend and vote

Holders of Ordinary Shares are entitled to attend and vote at the Annual General Meeting or at any adjournment(s) thereof. On a poll every holder of Ordinary Shares has one vote for every four shares held.

3. Rights to appoint proxies

Pursuant to section 324 of the Act, a member entitled to attend and vote at the Annual General Meeting may appoint more than one proxy, provided that each proxy is appointed to exercise the rights attached to different shares held by him. A proxy need not be a member of the Company.

A Form of Proxy is enclosed. The completion of the Form of Proxy will not preclude a shareholder from attending and voting in person at the Annual General Meeting.

Section 324 of the Act does not apply to persons nominated to receive information rights pursuant to section 146 of the Act. Persons nominated to receive information rights under section 146 of the Act have been sent this Notice and are hereby informed, in accordance with section 149(2) of the Act, that they may have the right under an agreement with the registered member by whom they are nominated to be appointed, or to have someone else appointed, as a proxy for this Annual General Meeting. If they have no such right or do not wish to exercise it, they may have a right under such an agreement to give instructions to the member as to the exercise of voting rights.

Nominated persons should contact the registered member by whom they were nominated in respect of these arrangements.

4. Proxies' rights to vote at the Annual General Meeting

On a vote on a show of hands, each proxy has one vote.

If a proxy is appointed by more than one member and all such members have instructed the proxy to vote in the same way, the proxy will only be entitled, on a show of hands, to vote 'for' or 'against' as applicable. If a proxy is appointed by more than one member, but such members have given different voting instructions, the proxy may, on a show of hands, vote both 'for' and 'against' in order to reflect the different voting instructions.

On a poll all or any of the voting rights of the member may be exercised by one or more duly appointed proxies. However, where a member appoints more than one proxy, section 285(4) of the Act does not authorise the exercise by the proxies taken together of more extensive voting rights than could be exercised by the member in person.

5. Voting by corporate representatives

Corporate representatives are entitled to attend and vote on behalf of the corporate member in accordance with section 323 of the Act.

6. Receipt and termination of proxies

A Form of Proxy is enclosed and to be valid must be lodged with the Company's Registrar before 2.30 pm on Monday, 30 April 2018.

A member may terminate a proxy's authority at any time before the commencement of the Annual General Meeting. Termination must be provided in writing and submitted to the Company's Registrar.

In accordance with the Company's articles of association, in determining the time for delivery of proxies no account is being taken of any part of a day that is not a working day.

7. Electronic receipt of proxies

CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for the Annual General Meeting and any adjournment(s) thereof by utilising the procedures described in the CREST manual, which is available to download from the Euroclear website (www.euroclear.com/CREST). CREST personal members or other CREST sponsored members, and those CREST members who have appointed (a) voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST manual. The message must be transmitted so as to be received by the issuer's agent (ID 3RA50) by the latest time

Notes to the Notice of Meeting

continued

for receipt of proxy appointments specified in note 6 above. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST applications host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed (a) voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5) of the Uncertificated Securities Regulations 2001.

8. Questions at the Annual General Meeting

Section 319A of the Act requires the directors to answer any question raised at the Annual General Meeting which relates to the business of the Annual General Meeting, although no answer need be given:

- (a) if to do so would interfere unduly with the preparation of the Annual General Meeting or involve disclosure of confidential information;
- (b) if the answer has already been given on the Company's website; or
- (c) if it is undesirable in the best interests of the Company or the good order of the Annual General Meeting that the question be answered.

Members satisfying the thresholds in section 527 of the Act can require the Company to publish a statement on its website setting out any matter relating to:

- (a) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the Annual General Meeting; or
- (b) any circumstances connected with an auditor of the Company ceasing to hold office since the last annual general meeting that the members propose to raise at the Annual General Meeting.

The Company cannot require the members requesting the publication to pay its expenses. Any statement placed on the website must also be sent to the Company's auditor no later than the time at which it makes its statement available on the website. The business which may be dealt with at the Annual General Meeting includes any statement that the Company has been required to publish on its website.

9. Website

A copy of this Notice, including these explanatory notes, is included on the Company's website, www.witan.com.

10. Total voting rights

As at 13 March 2018 (being the last practicable date prior to the publication of this Notice) the Company's issued share capital consisted of 200,071,000 Ordinary Shares of 25p each, which, other than the 21,782,545 Ordinary Shares held in treasury, carry one vote for every four shares held (being one vote for every £1 nominal of capital). In addition, the Company held 21,782,545 Ordinary Shares of 25p each in treasury and 2,555,000 Preference Shares (2,055,000 3.4 per cent Cumulative Preference Shares of £1 each and 500,000 2.7 per cent Cumulative Preference Shares of £1 each), which do not carry voting rights at general meetings of the Company. Therefore, the total voting rights in the Company as at 13 March 2018 were 44,572,113.

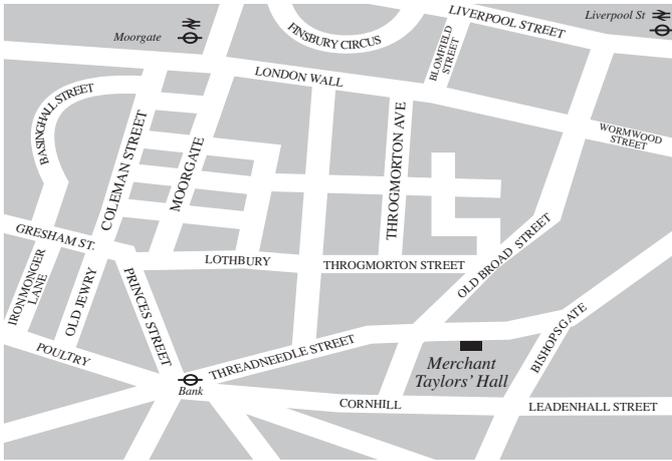

11. Receipt of communications at the Annual General Meeting

The attendance at the Annual General Meeting of members and their proxies and representatives is understood by the Company to confirm their agreement to receive any communications made at the Annual General Meeting.

12. Preference shareholders

This Notice is available for information only to holders of the Preference Shares, who are not entitled to attend or vote at the Annual General Meeting.
