**THIS DOCUMENT IS IMPORTANT AND REQUIRES YOUR IMMEDIATE ATTENTION.**

If you are in any doubt as to what action you should take, you should consult your stockbroker, solicitor, accountant or other professional adviser authorised under the Financial Services and Markets Act 2000, if you are resident in the UK, or, if not, from another appropriately independent professional adviser in your own jurisdiction.

If you have sold, transferred or otherwise disposed of all your shares in the Company, please pass this circular and the accompanying Form of Proxy to the stockbroker, bank or other agent through whom you made the sale, transfer or disposal for transmission to the purchaser or transferee, except that such documents should not be sent to any jurisdiction under any circumstances where to do so might constitute a violation of local securities laws and regulations. If you have sold or transferred or otherwise disposed of only part of your holding of shares in the Company, you should retain this circular and the accompanying Form of Proxy and consult the stockbroker, bank or other agent through whom you made the sale, transfer or disposal.

# Letter from the Chairman

Dear Shareholder

## Notice of Annual General Meeting

I am writing to you about arrangements for this year's Annual General Meeting of Witan Investment Trust plc (the 'Company'), which will be held on **Wednesday, 28 April 2021 at 10.00 a.m.** at 14 Queen Anne's Gate, London SW1H 9AA (the 'AGM' or 'Meeting'). This year, as explained below, the AGM will comprise an online presentation and a question and answer session with the Board, followed by the formal business of the AGM. Arrangements for joining the Meeting are set out on page 10.

The Board has again considered how best to deal with the impact of the COVID-19 outbreak on arrangements for our upcoming AGM. We are required by law to hold an AGM but given the current Government guidelines on public gatherings at the date of posting of this AGM Notice, the Board intends to limit physical attendance at the AGM to directors, or their proxies, and representatives from Witan. The Board will ensure that the minimum quorum is present to allow the formal business to proceed. If law or Government guidance so requires at the time of the Meeting, the Chairman of the Meeting will limit, in his sole discretion, the number of individuals in attendance at the Meeting.

Under normal circumstances, we like to meet and talk to shareholders in person at the AGM and answer your questions. We are, therefore, inviting you to an online presentation by Andrew Bell, the Chief Executive Officer. This will be followed by a question and answer session with the Board, which will take place before the formal business of the Meeting as set out in the attached Notice. To help the event run smoothly, we request that questions are sent in advance via the link on page 10. As far as possible we will address your questions during the meeting but, should we run out of time, we will endeavour to respond to any remaining questions shortly after the meeting via the Company's website.

Proxy votes can be lodged in advance of the AGM either by post or electronically: detailed instructions are included in the Notes to the Notice of Meeting on pages 7 to 9 of this circular and on the Form of Proxy that accompanies it. Please note that, in the light of the COVID-related restrictions on attendance at the AGM outlined above, it is unlikely that your vote will be counted where a proxy other than the Chairman of the Meeting is appointed, as additional third parties will not be permitted entry to the AGM. **We therefore urge you to lodge your votes to arrive by 10.00 a.m. on 26 April 2021, appointing the Chairman of the Meeting as your proxy.**

We will post the voting results on our website ([www.witan.com](http://www.witan.com)) following the meeting as well as making an announcement to the Stock Exchange.

I am very sorry not to be staging our normal AGM this year, but I hope you appreciate the reasons behind these changes which we are making in compliance with Government guidelines and in the best interests of our shareholders. If there are any changes to these arrangements, or further news, we will advise you through our website and, as appropriate, through a Stock Exchange announcement. If you would like to receive updates about the Company by email, please sign up to do so on our website at <https://www.witan.com/get-in-touch/#stay-in-touch>

The Notice of Annual General Meeting is set out on pages 2 to 3 of this document (the 'Notice'). Further details of each of the resolutions to be proposed at the Annual General Meeting are set out in the explanatory notes on pages 4 to 6. I also refer you to the Company's Annual Report and Financial Statements for the year ended 31 December 2020 (the 'Annual Report'), which is available on the Company's website ([www.witan.com](http://www.witan.com)). Printed copies of the Annual Report are being sent, with this document, to those shareholders who have requested it and are available, on request, to those who have not.

The Board considers that the resolutions to be proposed at the Annual General Meeting are in the best interests of the Company's shareholders as a whole. The Board therefore recommends unanimously to shareholders that they vote in favour of each of the resolutions, as the directors intend to do in respect of their own beneficial holdings.

I very much hope that the AGM in 2022 will be a normal affair when we will be able to welcome as many shareholders as possible.

Yours faithfully

Andrew Ross

## Explanation of the Resolutions

The information set out below is an explanation of the business to be considered at the Annual General Meeting to be held on Wednesday, 28 April 2021 at 10.00 a.m. at 14 Queen Anne's Gate, London SW1H 9AA.

### **Annual Report (Resolution 1)** (ordinary resolution)

The first item of business concerns the Annual Report. The directors are required to lay before the Annual General Meeting the Annual Report, including the Directors' Report and the Independent Auditor's Report on the financial statements, and the shareholders are asked to receive the Annual Report.

### **Directors' Remuneration Report (Resolution 2)**

(ordinary resolution)

Listed companies are required to put their Report on Directors' Remuneration to an advisory shareholder vote each year and their Remuneration Policy to a binding shareholder vote at least every three years. The Report on Directors' Remuneration is set out in full in the Annual Report on pages 59 to 70.

The Remuneration Policy was approved by shareholders at the annual general meeting in 2019 and consequently, is expected to remain in effect until the annual general meeting in 2022 when the Company will next be required to submit its Remuneration Policy to its shareholders.

### **Directors (Resolutions 3 to 10)** (ordinary resolutions)

Rachel Beagles was appointed to the Board on 1 July 2020 and stands for election by shareholders for the first time. In accordance with the UK Corporate Governance Code, all other directors stand for re-election annually.

The directors have reviewed the performance and commitment of the directors standing for election or re-election and consider that each of them should continue to serve on the Board as they bring wide, current and relevant business experience that allows them to contribute effectively to the leadership of the Company.

The specific reasons in respect of each director are as follows:

#### **Rachel Beagles**

Rachel has extensive knowledge and understanding of the equity markets from her experience in research and sales. She is an experienced non-executive director of investment trusts and has recently retired as chairman of the Association of Investment Companies.

#### **Andrew Ross**

Andrew has substantial experience in senior leadership roles as CEO and chairman in investment management and wealth management businesses. He has overseen three different multi-manager businesses and under his tenure the businesses he led significantly grew and prospered.

#### **Andrew Bell**

Andrew's roles prior to joining Witan gave him valuable experience of economic and geopolitical events and how they influence equity markets, along with considerable knowledge and experience of the investment trust sector. These skills have been productively applied in the 11 years that he has been Chief Executive Officer and led the Witan team.

#### **Gabrielle Boyle**

Gabrielle has over 30 years' experience in fund management and has managed global equity portfolios since 2001 and European portfolios since 1998. With this background she brings knowledge of investing through market cycles and understanding of the skills required of fund managers.

#### **Suzy Neubert**

Suzy's 31 years' experience in sales and marketing roles on both the sell and buy sides of financial services has given her a thorough understanding of equity markets. Her role at J O Hambro provided her with insight into the distribution of funds to institutions and private wealth managers.

#### **Jack Perry**

Jack is chairman of two other listed investment companies and has developed an understanding of the needs of all stakeholders. His experience as a senior audit partner and subsequently in service on numerous audit committees has enabled him to be an effective Audit Committee Chairman.

#### **Ben Rogoff**

As a highly experienced listed equities fund manager, Ben has deep understanding of the analysis process required for investing in public companies. His knowledge of the technology sector particularly enables him to identify the risks from disruption not just to the sector but in general. Ben applies this knowledge to his questioning and monitoring of Witan's external managers.

#### **Paul Yates**

Paul's prior roles give him wide experience of the fund management business including equity management, marketing, people and business management. Paul also offers investment trust experience having sat on four other trust boards.

Further information about the directors is set out in the Annual Report, in particular on pages 44 and 45.

### **Auditors (Resolutions 11 and 12)** (ordinary resolutions)

There is a requirement to appoint an auditor at each general meeting at which accounts are laid before the Company, with the expectation that the auditor will then hold office until the next such meeting. In accordance with sections 489 and 492 of the Companies Act 2006 (the 'Act'), shareholders are required to approve the appointment of the Company's auditors each year and to determine or authorise the directors to determine the auditor's remuneration. Following the implementation of the

# Explanation of the Resolutions

continued

Competition and Markets Authority Order on Statutory Audit Services, only the Audit Committee may negotiate and agree the terms of the auditors' service agreement. Resolution 11 covers the re-appointment of Grant Thornton UK LLP who were first appointed as auditor in 2016 and Resolution 12 authorises the Audit Committee to determine their remuneration (details of which are set out in note 5 on page 93 of the Annual Report).

## **Dividend Policy (Resolution 13)** (ordinary resolution)

Resolution 13, which is an ordinary resolution, relates to the approval of the Company's dividend policy which is as follows. Dividends on the ordinary shares are payable quarterly in March, June, September and December. The Company's policy is to seek to grow its dividend ahead of inflation funded by portfolio income, retained revenue reserves and, if necessary (as part of a defined path towards dividends being once again fully funded by revenue earnings), realised capital reserves.

## **Authority to Allot Shares (Resolution 14)**

(ordinary resolution)

Resolution 14 in the Notice will give the Company the authority to allot ordinary share capital up to an aggregate nominal amount of 10% of the Company's existing issued ordinary share capital at the date of the Annual General Meeting (equivalent to such number of ordinary shares with an aggregate nominal value of £3,924,999 if there is no change in the issued ordinary share capital between now and the date of the Annual General Meeting). Such authority will expire on the date of the next annual general meeting or after a period of 15 months from the date of the passing of the resolution, whichever is earlier. This means that the authority will have to be renewed at the next annual general meeting.

## **Disapplication of Pre-emption Rights (Resolution 15)**

(special resolution)

When shares are to be allotted for cash, section 561 of the Act provides that existing shareholders have pre-emption rights and that the new shares must be offered first to such shareholders in proportion to their existing holding of shares. However, shareholders can, by special resolution, authorise the directors to allot shares otherwise than by a pro rata issue to existing shareholders. Resolution 15 will, if passed, give the directors power to allot for cash equity securities up to 10% of the Company's existing issued ordinary share capital as at the date of the Annual General Meeting (equivalent to such number of ordinary shares with an aggregate with a nominal value of £3,924,999 if there is no change in the issued ordinary share capital between now and the date of the Annual General Meeting), as if section 561 of the Act does not apply. This is the same nominal amount of share capital which the directors are seeking the authority to allot pursuant to Resolution 14. This authority will also expire on the date of the next annual general meeting or after a period of 15 months, whichever is earlier. This authority will not be used in connection with a rights issue by the Company.

Under section 724 of the Act the Company is permitted to buy back and hold shares in treasury and then sell them at a later date for cash, rather than cancelling them. It is a requirement of section 561 that such sale be on a pre-emptive, pro rata, basis to existing shareholders unless shareholders agree by special resolution to disapply such pre-emption rights. Accordingly, in addition to giving the directors power to allot ordinary share capital on a non pre-emptive basis, Resolution 15, if passed, will also give the directors authority to sell shares held in treasury on a non pre-emptive basis. The benefit of the ability to hold treasury shares is that such shares may be resold. This should give the Company greater flexibility in managing its share capital, and improve liquidity in its shares. Any re-sale of treasury shares would take place only at, or at a premium to, the prevailing net asset value per share, and this is reflected in the text of Resolution 15. It is also the intention of the Board that sales from treasury would only take place when the Board believes that to do so would assist in the provision of liquidity to the market.

The directors intend to use the authority given by Resolutions 14 and 15 to allot shares and disapply pre-emption rights only in circumstances where this will be clearly beneficial to shareholders as a whole. The issue proceeds would be available for investment in line with the Company's investment policy. No issue of shares will be made which would effectively alter the control of the Company without the prior approval of shareholders in general meeting.

## **Share buyback facility (Resolution 16: Ordinary Shares; and Resolution 17: Preference Shares)** (special resolutions)

The Company's Articles of Association permit the Company to purchase its own shares and to fund such purchases from its accumulated realised capital reserves. The directors believe that buying back the Company's own shares in the market, at appropriate times and prices, is in the best interests of shareholders generally. Therefore, the Board considers that the Company should continue to have authority to buy back its own ordinary shares. Shares bought back may be cancelled immediately upon completion of the purchase or held, sold, transferred or otherwise dealt with as treasury shares (see above).

Share buybacks are used as a means of helping to balance the supply and demand for the Company's shares in the market. In respect of the ordinary shares, buybacks seek to reduce the volatility of the discount to the underlying net asset value per share at which the ordinary shares trade. Ordinary shares are bought back only when the immediate outcome is an increase in the net asset value per share attributable to the remaining ordinary shares.

## Explanation of the Resolutions

continued

Resolution 16 authorises the Company to make market purchases (for cancellation or to be held, sold, transferred or otherwise dealt with as treasury shares) of up to 14.99% of the issued ordinary share capital at the date of the Annual General Meeting. Under the Listing Rules of the Financial Conduct Authority, this is the maximum percentage of its equity share capital that a company may purchase through the market pursuant to such authority. The Company will make purchases within guidelines set from time to time by the Board, and if or when market conditions are suitable, with the aim of maximising the benefit to the remaining shareholders. The directors will not use this authority unless to do so would result in an increase in the net asset value per ordinary share. Ordinary shares will not be bought back at a price that is less than their nominal value or more than the higher of (i) 5 per cent above the average middle market price of the ordinary shares over the preceding five business days and (ii) the higher of the price of the last independent trade and the highest current independent bid for an ordinary share on the trading venue where the market purchases will be carried out. The directors intend to seek a fresh authority at the annual general meeting in 2022.

There are no warrants or options to subscribe for ordinary shares that are outstanding as at 18 March 2021 (the latest practicable date prior to publication of this Notice).

Resolution 17 authorises the Company to make market purchases for cancellation of all of the Preference Shares in issue at the date of the Annual General Meeting (being 2,055,000 3.4 per cent Cumulative Preference Shares of £1 each and 500,000 2.7 per cent Cumulative Preference Shares of £1 each with an aggregate nominal value of £2,555,000 if there is no change in the issued preference share capital between now and the Annual General Meeting). The Company will make purchases within guidelines set from time to time by the Board, and if or when market conditions are suitable, with the aim of maximising the benefit to the Company. Any Preference Shares bought back will be cancelled. Preference Shares will not be bought back at a price that is less than 1p or more than the higher of (i) 5 per cent above the average middle market price of the Preference Shares over the preceding five business days and (ii) the higher of the price of the last independent trade and the highest current independent bid for a Preference Share on the trading venue where the market purchases will be carried out. The directors intend to seek a fresh authority at the annual general meeting in 2022.

### **Notice of General Meetings (Resolution 18)** (special resolution)

The notice period for general meetings of the Company is 21 clear days unless shareholders approve a shorter notice period, which cannot be less than 14 clear days. Annual general meetings continue to require 21 clear days' notice.

In order to call a general meeting on less than 21 clear days' notice the Company must make a means of electronic voting available to all shareholders for that meeting.

# Notes to the Notice of Meeting

Resolutions 1 to 14 are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 15 to 18 are proposed as special resolutions. This means that for each of those resolutions to be passed, at least three quarters of the votes cast must be in favour of the resolution.

Given the current Government guidelines on public gatherings at the date of posting of this AGM Notice, the Board intends to limit physical attendance at the AGM to Directors, or their proxies, and representatives from Witan. The Board will ensure that the minimum quorum is present to allow the formal business to proceed. If law or Government guidance so requires at the time of the Meeting, the Chairman of the Meeting will limit, in his sole discretion, the number of individuals in attendance at the Meeting. Should the Government guidance change and the current restrictions on group gatherings be relaxed by the time of the meeting, the Company may still impose entry restrictions on certain persons wishing to attend the AGM in order to secure the orderly and proper conduct of the Meeting and the health and wellbeing of all persons in attendance.

## 1. Voting record date

Only members registered in the Register of Members of the Company at 6.30 p.m. on Monday, 26 April 2021 (or, in the event that the Annual General Meeting is adjourned, at 6.30 p.m. on the day that is two business days before the day of the adjourned meeting) shall be entitled to attend and vote at the Annual General Meeting in respect of the number of voting rights registered in their name at that time. Changes to entries on the Register of Members after that time shall be disregarded in determining the rights of any person to attend and vote at the Annual General Meeting.

In the case of joint holders of a voting right, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders and, for this purpose, seniority shall be determined by the order in which the names stand in the Register of Members in respect of the joint holding.

## 2. Rights to attend and vote

Holders of ordinary shares are entitled to attend and vote at the Annual General Meeting or at any adjournment(s) thereof, but please note the general COVID-related restrictions on attendance at the AGM this year. On a poll every holder of ordinary shares has one vote for every share held.

## 3. Rights to appoint proxies

Pursuant to section 324 of the Act, a member entitled to attend and vote at the Annual General Meeting may appoint more than one proxy, provided that each proxy is appointed to exercise the rights attached to different shares held by him. A proxy need not be a member of the Company. Please note that, in the light of the COVID-related restrictions on attendance at the AGM this year, it is unlikely that your vote will be counted where a

proxy other than the Chairman of the Meeting is appointed, as additional third parties will not be permitted entry to the AGM. We therefore urge you to lodge your votes to arrive by 10.00 a.m. on 26 April 2021, appointing the Chairman of the Meeting as your proxy.

A Form of Proxy is enclosed. If a member wishes to appoint more than one proxy, he or she should contact the Company's Registrars (Computershare Investor Services PLC) on 0370 7071408. The lines are open from 8.30 a.m. to 5.30 p.m. Monday to Friday, excluding English public holidays. The overseas helpline number is +44370 707 1408. Each Form of Proxy should clearly state the number of shares in relation to which the proxy is appointed. Failure to specify the number of shares to which each proxy appointment relates or specifying a number in excess of those held by the member will result in the proxy appointment being invalid. If a member wishes a proxy to be able to speak on his or her behalf at the Annual General Meeting, the member will need to appoint someone of his or her own choice (not the Chairman) and give instructions directly to them. The completion of the Form of Proxy will not preclude a shareholder from attending and voting in person at the Annual General Meeting, but please note the general COVID-related restrictions on attendance at the AGM this year. A member can only appoint a proxy using the procedures set out in these notes and the notes to the Form of Proxy.

Section 324 of the Act does not apply to persons nominated to receive information rights pursuant to section 146 of the Act. Persons nominated to receive information rights under section 146 of the Act have been sent this Notice and are hereby informed, in accordance with section 149(2) of the Act, that they may have the right under an agreement with the registered member by whom they are nominated to be appointed, or to have someone else appointed, as a proxy for this Annual General Meeting. If they have no such right or do not wish to exercise it, they may have a right under such an agreement to give instructions to the member as to the exercise of voting rights.

Nominated persons should contact the registered member by whom they were nominated in respect of these arrangements.

## 4. Proxies' rights to vote at the Annual General Meeting

On a vote on a show of hands, each proxy has one vote.

If a proxy is appointed by more than one member and all such members have instructed the proxy to vote in the same way, the proxy will only be entitled, on a show of hands, to vote 'for' or 'against' as applicable. If a proxy is appointed by more than one member, but such members have given different voting instructions, or the proxy is instructed by one or more of those members to vote in one way and is given discretion as to how to vote by one or more others (and wishes to use that discretion to vote in the other way) the proxy has one vote for and one vote against the resolution.

# Notes to the Notice of Meeting

continued

On a poll all or any of the voting rights of the member may be exercised by one or more duly appointed proxies. However, where a member appoints more than one proxy, section 285(4) of the Act does not authorise the exercise by the proxies taken together of more extensive voting rights than could be exercised by the member in person.

## 5. Voting by corporate representatives

Corporate representatives are entitled to attend and vote on behalf of the corporate member in accordance with section 323 of the Act, but please note the general COVID-related restrictions on attendance at the AGM this year.

## 6. Receipt and termination of proxies

A Form of Proxy is enclosed and to be valid must be lodged together with any power of attorney or other authority (if any) under which it is signed or a notarially certified copy of such power or authority, at the address stated thereon, so as to be received not less than 48 hours (excluding non-working days) before the time of the Annual General Meeting or any adjournment(s) thereof.

A member may terminate the authority of a proxy by delivering a notice in writing to the Company's Registrar so as to be received by the same deadline.

In accordance with the Company's Articles of Association, in determining the time for delivery of proxies no account is being taken of any part of a day that is not a working day.

## 7. Electronic receipt of proxies

CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for the Annual General Meeting and any adjournment(s) thereof by utilising the procedures described in the CREST manual, which is available to download from the Euroclear website ([www.euroclear.com/CREST](http://www.euroclear.com/CREST)). CREST personal members or other CREST sponsored members, and those CREST members who have appointed (a) voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID 3RA50) by the latest time for receipt of proxy appointments specified in note 6 above. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST applications host) from which the Company's Registrar is able to retrieve the message by enquiry to CREST in the manner prescribed by

CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed (a) voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5) of the Uncertificated Securities Regulations 2001.
